Preparedness	
Suppression	
Prevention	
Standardization	
Interagency Cooperation	
Communication and Education	
Administrator And Employee Roles	
Evaluation	
Economic Efficiency	
Fire Cause Determination and Cost Recovery	
Employee Responsibility	
Fire Management Objectives.....	1-5

2. Program Roles & Performance Standards

Agency Administrator Roles	2-1
Director/Chief	
State Director/Regional Director/Regional Forester	
Unit Manager	
Management Performance Requirements for Fire Operations	
Fire Management Staff Roles.....	2-6
National Office	
State/Regional Office	
Unit Office	
Fire Management Staff Performance for Fire Operations	
Requirements for Fire Management Positions	2-10
Training for Designated Agency Administrators	
Delegation of Authority	2-12

3. Interagency Coordination & Cooperation

Introduction.....	3-1
Interagency Assistance	3-1
Coordination.....	3-1
National Level Coordination	
National Wildfire Coordinating Group (NWCG)	

Federal Fire and Aviation Leadership Council (FFALC)	
Federal Fire and Aviation Safety Team (FFAST)	
Interior Fire Coordination Committee (IFCC)	
National Multi-Agency Coordination Group (MAC Group)	
Geographic Area Level Coordination	
Sub-Geographic Area Coordination	
Interagency Mobilization	3-3
National Dispatch/Coordination System	
National Interagency Coordination Center (NICC)	
Geographic Area Coordination Centers (GACCs)	
Local Unit/Interagency Dispatch Centers	
Agreements & Contracts	3-4
Interagency Agreements	
Agreements	
Annual Operating Plans	
Contracts	
Emergency Assistance	
FEMA and the Wildland Fire Program	
International Assistance	
U.S.-Mexico	
U.S.-Canada	
U.S.-Australia/New Zealand	
International Disasters Support	

4. Safety

Policy	4-1
Goal	4-1
Risk Management Process	4-2
Job Hazard Analysis (JHA)	
Work/Rest Guidelines	4-2
Length of Commitment	4-2
Rest and Recuperation (R&R)	4-3
Rest and Recuperation During Incident	
Rest and Recuperation Upon Return From an Incident	
Management Directed Days Off	
Driving Standard	4-6
Emergency Driving	
Non-Emergency Driving Limitations	
Emergency Fire Vehicle Operations Standards	
Personal Protective Equipment (PPE)	4-7
Head Protection	
Eye and Face Protection	
Hearing Protection
